

# Leadership Mastery Course 2020

## Frequently Asked Questions

### What is *the course* and what's included?

This course is an **online, self-paced**, curriculum separated into **6 workshops** that each include content, discussion questions, projects, and activities!

### Can we access *the course* more than once?

**YES!** Once purchased, you will have access **anytime** on **any device** from the date of purchase until **October 31, 2020**. We hope this allows you to create a schedule that works best for you and your team.

### Can multiple people take *the course* simultaneously?

**YES!** We encourage each student and teacher to create their own login. This will give you the flexibility to work through the course as a **group** or **individually**.

### What is included in addition to *the course*?

Upon receiving your course link, you will also be invited to an **exclusive** Facebook community! In this private group, you will be able to view our **FB LIVE EVENT** on **July 21-23** at **11:00 AM** & **1:00 PM** each day.

### What is the *Facebook LIVE* portion?

The FB LIVE is a **bonus** that will give a **snapshot** of each workshop within the course and allow students to **interact** with our Encore Leadership Staff. There will be no activities or projects completed during these, but rather opportunities to ask questions and have conversations about the content.

### Do we need to have already completed *the course* prior to the *Facebook LIVE*?

**NO!** If your students have **not** completed the course yet, this will be a great opportunity to get excited about the content and ask questions about what's to come. If they **have** completed the course, then they can share what they learned, ask any questions over the content, and interact with the Encore Leadership Staff in a unique way!

### If we can't participate in the *Facebook LIVE* dates, will we miss out?

**YES** and **NO!** You will not miss out on any course work as the LIVE is just a snapshot into each workshop. You will be able to rewatch the LIVE videos, but you will miss a chance to interact with other students leaders and Encore Leadership Staff if you cannot attend.
